

Linda Gillham  
Lead Fertility Counsellor

Emma Smith  
Fertility Counsellor

## Confidential Emotional Support Through Your Fertility Journey

Our counselling service offers up to three sessions of personalised emotional support helping you to navigate the challenges and emotions that often come with fertility treatment.

Our trained fertility counsellors are here to support you every step of the way.

Please ask for a referral at your appointment.

The administration/reception staff will be able to provide you with a copy of our Patient Information
